SELECTED EXPERIENCE

Aug 2025 – Present
Madrid

Ayesa · Technology consulting · Digital Workplace · Applied AI

Technology consulting and delivery across projects linked to Madrid Digital / Community of Madrid, the Justice domain, UOC / Universitat Oberta de Catalunya, and ICEX.

Worked across Digital Workplace, ITSM, workplace modernization, executive documentation, coordination, tracking, and delivery support.

At ICEX, role moved closer to Project Management, coordinating more than 30 people and helping structure work, deliverables, communication, and follow-up.

Used AI as a productivity and quality multiplier for analysis, synthesis, executive documentation, presentations, and proposals — always under human direction and review.

Apr 2023 – Aug 2025

Konecta · Business Manager

Business Manager for a leading insurance client, responsible for a pool of 8 service lines: sales, inbound, outbound, upselling, cross-selling, retention, after-sales, B2B, collections, claims, recoveries, and overdue/unpaid accounts.

Maximum operational ownership within scope, covering SLA, KPI, quality, productivity, billing, margin, capacity planning, deviation analysis, and senior client relationship.

Led up to 560+ people and coordinated operations across 4 countries —Spain, Portugal, Colombia, and Morocco — with centers in Madrid/Alcobendas, Talavera de la Reina, Almedralejo, Lisbon, Medellín, Bogotá, and Tangier.

Managed and reviewed different billing models: price per hour, logged hour, sale-based, qualified/useful contact, and mixed models agreed with the client.

Drove operational improvement around efficiency, margins, service continuity, and demanding SLA compliance.
